THE EXPERIENCE

The Section Conclave is a gathering of the 5 Lodges in Section NE-4B. It is a weekend long gathering filled with training, shows, games, competitions, and so much more. The Conclave is the annual Section gathering of the Order of the Arrow members of Enda Lechauhanne, Monaken, Wagion, Ahtuhquog, and Nachamawat Lodges that comprise Section NE-4B. The weekend is filled with a variety of activities including training, shows, games, and other activities.

Top notch training covering a wide variety of the Order of the Arrow and Scouting. Shows Friday and Saturday night highlight the theme of the weekend and offer a message of inspiration for all Brothers. Fun competitions of sports and board games, with some Wii Tennis or Bowling in store? Great activities that our Order is based upon including Native American dance, drumming, and ceremonies.

This Conclave has something for everyone and we hope that everyone who attends Conclave 2010 takes part in everything there is to offer. So whether this is your first Conclave or you 10th Conclave, we invite you to come; it'll be a Conclave you won't forget.

THE EXPERIENCE

At the September Gathering, Section NE-4B chose the theme for the 2010 Conclave. The theme for the Conclave will be "From the Footsteps of our Past comes the Path to our Future." This theme was chosen because it highlights the 100 years of Scouting in the United States as well as the start to our future in Scouting.

The theme represents a evolution of Boy Scouting in the United States: from camping, to communication, to merit badges this Conclave will showcase it all. This year's Conclave will inspire Scouts and will show that as Scouting evolved into the largest youth organization in the United States, our members and our program will continue to be the driving force in society. The program, training, activities, and shows will all incorporate the theme. All promotional material that is available will also highlight the theme.
